

# PHS Aquatics Association

Dear Parents and Student Athletes,

Welcome to an exciting year with Pacifica High School Aquatics! The Boosters work diligently to provide the funds necessary to run quality programs and purchase much needed aquatic equipment for your student athlete. The costs of running the Aquatics Program are continuing to grow; so your participation is more important than ever.

## Booster Participation Fees

Participation fee requests for the 2009 / 2010 school year are \$75 per sport (water polo and swim). We would appreciate your payment by the following dates:

- Swim due date will be in March 3, 2010

Booster Benefits you will receive:

- Free participation for Student Athlete in all Booster Team Dinners and Parties
- 1 Free Banquet ticket for Student Athlete

Please complete and return the lower portion of this letter with your payment. Sue Gilmore or Darla Fett, will be on the pool deck 3/3 to collect the payment. Please do not give to the coaches, as they already have enough responsibilities.
